COMPANY PROFILE

Bates Interior Solutions is a specialist supplier and installer of raised access flooring and commercial flooring solutions.

Founded by Jonathan Bates and Eric Nghonyama, the business brings more than 53 years of combined flooring industry experience. Our expertise spans raised access flooring, commercial and domestic carpeting, carpet tiles and planks, vinyl flooring, luxury vinyl planks, laminate flooring, synthetic grass, studded rubber and self-levelling screed.

Bates Interior Solutions is a Level 1 BBBEE specialist supplier and installer of raised access flooring and cable management systems.

We supply and install ST, Solidlock and Multilock access floor systems, as well as Kingspan / Tate Raised Access Flooring Systems. We also work with a range of local access floor systems and can source international products on request.

Our specialist services include the maintenance, refurbishment, reinforcement and upgrading of existing and ageing access flooring systems. All access flooring carries a 12-year warranty.

We also undertake deep cleaning of access floor installations and provide access flooring, carpeting and vinyl installation services on behalf of other contractors.
